FISH HUT FREAKOUT!

FOX: I'm a man that likes to watch women masturbate. But not softcore, mamby-pamby clitty twiddling, I'm talking about full-on fingers inserted, vibrator buzzing self-fuck freakout fests. That's why I love your mag so much, it features gals who aren't afraid to pleasure themselves. They really get in there and swish around and force out one orgasm after another. I once had me a gal who was willing to fish around in her fish hut and put on a good show, but that was ages ago and I've been striking out in that arena ever since. So I make do with pornography and you're something I've come to depend upon. Thanks for getting me hard so many times, FOX.—Gerald in NH

WHERE HAVE ALL THE TAN LINES GONE?

Dear FOX Magazine: I may be kind of old-fashioned in the way I think, but I wish I could see more photographs of women with tan lines getting fucked. I know that they say the sun is bad for you nowadays and blah blah, but I miss opening up a skin rag and seeing an oiled-up slut with her bronzed legs flung wide and it looking like she still has a pair of white panties on if it weren't for the lush black pubes curling up top of her ripe pink gash. And the titties! There is something about holding a titty in your hand that is snowy white when the chest skin all around it is a deep golden tan. Aren't there no women that like to go out and get themselves a nice suntan no more?—Roger in OR

IT'S OUR DIRTY LITTLE SECRET

Dear FOX: I am one of your female readers and I just had to write in to say thank you so much for bringing outrageous hardcore sex antics right to my door. I may be one of the few people that actually read the articles, but those on-the-set stories are just hilarious and really informative. I have to admit that I am intensely curious about what it would be like to be paid to fuck strangers for a living. Although I guess it seems like a lot of those working in porn are friends of some sort. Sometimes when I go into the office I try to imagine that my job there is not to answer the phone and generate spreadsheets but to fuck and suck the men I work with. And then I think there is no way I could ever do that.

32878

32551

But I just had to write in and say that I'm appreciative of those that do. Thanks *FOX*, for being my dirty little secret. —*Lucy* in *NE*

ANOTHER MAN WITH A PLAN

Dear *FOX*: I sure wish I lived closer to the porn capital of the country so that I might make a go at being a performer. I look at some of the chumps in your mag that get to stick it to those hot porn sluts and I think no fair I could do that and do it better to boot. I really think that I have what it takes. I am 25, well-hung, no body hair, fit, tight, sexy and with a few badass tattoos across my pecs and upper back. I can stay hard for hours and fuck all night long with any pill or other shit like that. That shit is for losers. The problem is that I live in a little mountain town and nobody here ever does anything. I just need an opportunity to get to L.A. and then I can show everybody what I can do. Can you help me? I sure would appreciate it. I think you should run a contest to find the next male porn superstar. That James Deen kid is a twerp. —*Phil* in *CO*

IT'S NOT UNUSUAL...

Dear *FOX*: A lot of my friends don't understand the obsession I have with pornography. "Bob," they say to me. "Bob, you have a gorgeous girlfriend that you can fuck any time you want to. Why do you still have to look at XXX magazines and videos all the time?" Well I try to answer them honestly but they don't understand where I'm coming from. The truth is, I do have a gorgeous wonderful woman in my life whom I love more than anything and whom I love to fuck every which way. But to keep things spicy and to keep my sex drive in overdrive I like to keep plenty of porn on hand. She isn't much into the XXX stuff so I try to be respectful and only imbibe when she is not around. I've tried to turn a few of my close male friends on to the filthy pleasure of your magazine but so far none of them have been too receptive—at least that I know of I don't care what anyone thinks I will keep on reading *FOX* and jerking off and fucking my hot girlfriend whenever I fucking feel like it until the day I die! I don't think this is so unusual. —*Bob* in *TX*

A DEMON IN THE SACK?

Dear *FOX* Magazine: During your next photo shoot could you please ask the ladies posing if they would be interested in having a live-in slave cater to their every whim and desire? I am offering myself up to be used by any young lady in the porn business. I cook, clean, fix things, chauffeur, and also I am a demon in the sack and can fuck all their cares away at the end of a hard, long day at work. Or, if they are tired of being fucked (because I know that's what they do all day long at their job and I once dated a massage therapist and guess who never got so much as a shoulder rub?—this guy!) well then I'd be happy to just eat their pussy out until they feel blissful and content. And then I could draw a nice warm bubble bath and afterwards give a perfect pedicure before placing my face once again between her thighs and licking all her cares away. I am quite serious about this. Please pass along my personal info to anyone who shows an interest. —*Ronald* in *AL*

Foxy Annika Albrite is determined to go all the way in the XXX biz, and blonde ambition has never looked so good. This Denver-born dime has been pumping out such molten hot scenes that all of Pornland is ablaze. It takes so very little to ignite her lust, she's basically a walking sex bomb with the potential to blow at any second. Suddenly BAM! She's a hostage to her own horniness. Even when all alone she can detonate at the drop of a hat. All it takes is for her to start gently caressing her killer curves and BAM! Explosive orgasms are imminent. A typical scenario is this: she trails her fingertips through her tidy patch of pubes to rub her clit swollen. Then Annika spreads the lips to her slit and inserts a knobby toy into the moist confines of cockpit. She swirls it around until she locks on her Gspot, and then BAM! Rapture erupts

EVILANGEL.COM

DIRECTOR
JONNI DARKKO

SLUT 'N' PUPPET
CASSANDRA CRUZ, JOHN STRONG

PIXXX & ARTICLE BY JEFF HUBRIS

33059

Cassandra Cruz is into a lime green bikini with matching shoes. The L.A. porn day is warm and Jonni Darkko's plan is to start things off outside near the pool and then move inside for the heavy lifting. While he's shooting posed glam shots of her up against a tree, he asks if she wants it to be a rough scene.

"I mean, I don't want to be boring," she says. "I mean, I like the hair pulling but I don't like getting choked."

First of all, Darkko is not one to hire shrinking violet porn girls for any of his happenings. Only the most "spirited," non-farm team players will qualify for the intensity laden bang outs at work here. In Cassandra Cruz we have a very nasty, experienced New York girl who can both give and receive a serious throw down.

"My thing is that I think your mouth should be full and your pussy should be full," Darkko continues. "I'd like to oil you up and go fucking bananas. I'm going to have Nate set this up with a towel and an umbrella and we're just going to go for it."

Cassandra will be lounging in the sun while on the phone making a booty call. She can't wait to get fucked. The tube sausage meat technician she calls upon will be in the form of John Strong, one of the greatest load suppliers in all of porn history. A blue chaise lounge is in place and she's glistening with oil.

"We're going to keep this as simple as possible," Darkko says. "We're not reinventing anything. Usually I'm like 'No BJs first' but fuck that, we're doing that. I'd rather have a handful of great positions rather than a ton of being all over the place trying to find it." He asks Cassandra how she feels like getting fucked today.

"I like doggy and reverse because I know I look good from the front," she says. Ever the porn girl mindful about her good side, Cassandra Cruz is a professional. All business. All pleasure.

"So the rule is almost anything but no choking," Darkko says to Strong. "I want you guys to kind of take your time. I'd rather not chase her and just let you do your magic."

JONNI DARKKO: I picked out girls that look really great in tight bikinis. She's the girl that you see at the Hard Rock in a bikini and you're like, "Goddamn I want to fuck that so bad!" She's totally accessible and she's a total fucking slut. I mean, she loves fucking cock. She told me she wants to do a thirty guy gangbang and so I told her if she can get thirty guys we'll show up shooting. I'd love to. I'd be so into it.

The concept is very rudimentary. I'm not going crazy on any super anal or anything. What's the one more thing that we could do? She looks so good with her legs pulled back. Piledriver!

I'm trying to stick to this belief that this is what porn is supposed to be like versus all of the way it's changing and all of this manufactured, overly contrived lack of style. Like, how the times can you do the secretary thing? I can't do anything else. I can't do it. I could never work for Brazzers.

Darkko shoots the set-up and they roll into the sex. He is usually one to judiciously avoid the step-by-step porn cliché sex choreography of BJ, mish, doggie, reverse, cowgirl, BJ, pop, in favor of a less orthodox positional sequence of events but is willing to start with the BJ this time at least, just for the fuck of it. If it's any consolation, Cassandra delivers a lengthy and rippin' face fuck from two kneeling positions before rolling into the doggie. It's getting hot out and finding the shade is becoming a problem. They cover a few positions and then the decision is made to move inside where there is a greater degree of climate and light control, at least for the moment.

While production assistant Nate moves the lights and camera gear inside this hilltop porn house, I ask Darkko where the scene will end up.

"We did *Bikini Clad Cum Shuts* a few years back and I wanted to do another bikini movie," he explains. "I love being outside and I love being by pools and this is the quintessential summer day. I mean, look at this! I love bikini movies and bikini shoots. The concept is like every guy is always at the pool at the Hard Rock and he's always wanted to fuck all the girls in bikinis and I've always liked that. It reminds me of when I was younger and the party times you had. Like in my twenties I loved hanging out by pools and having cocktail summer time and next thing you know you're getting a blowjob or an oily fucking handjob or whatever. That kind of thing."

Porn set conversation. Cassandra is talking and mentions that she'll totally swallow twenty loads no problem.

"Man, I love that!" Strong says. "That is so sexy!"

There is gentle acceptance of the depravity in the air because these are A-list, hardcore porn folk. These are the people who make the porn that causes the people who watch porn to want to make their own porn. This is Porn Central.

"I want to keep this great energy that we have going," Darkko says after the lights are set. "Like head upside down. I want to see you guys go nuts. There are no rules on this. I really want to see rules broken!"

Reverse cowgirl ensues on a long white sofa. Cassandra is instructed to leave her shoes on for now. Her hyper-flexibility lends itself well to the more joint stretching permutations within any sexual position. During some short breaks there is conversation as to the "old school" flavor this bang out has taken on, harkening back to the bounding, happy days of the early 2000s.

"Tell him I called you over here because I can't wait to eat your cum," Darkko instructs Cassandra. "I love your booty call. Everyone loves to hear those words, like play with it a little bit. I'm fucking happy. All we have to do is shoot another ten or fifteen minutes and you're done unless you're going to hang her upside down and fuck her from the ceiling."

CASSANDRA CRUZ: I've been fucking on webcam. My little secret boyfriend comes to me on webcam. I don't know...I was sort of seeing someone who claimed he was an ex-NFL player from Sacramento. I've been doing this for six years. I'm old. There are so many new girls and guys. They're all young. I'm into weirder stuff now. I like boys that look really, really young. I like to choke on a cock and use a vibrator at the same time. I thought that I would give a civilian a chance but that's not really going to happen. I think I can only fuck porn guys from now on. I'm sick of all these girly emotions. Relationships are stupid and people get jealous. Who cares. I'm a jealous bitch but really I'm very honest about everything and boys don't understand that this is a job. They don't ever get it. Relationships are stupid. I like to lay face down on my bed and push my head into the pillow and use the magic wand. I don't have to do anything. It only takes about 40 seconds. I sort of like suffocate myself and it feels better. It's more intense of an orgasm. I really hate boys right now. I like British men. I like their accents and their charm and their sarcasm and I know they like me back. I love bondage. I want to go to New York so bad. I featured danced up in Sacramento but the money is better in New York and Miami. I want to be J-Lo when I grow up. I either want to go into mainstream or I feel like I want to go back to school just to prove to everyone that I'm smart. I have a bachelors degree but I would like to go to law school to use my brain.

They fuck to a pop from open spoon and Cassandra receives the load from kneeling cum receptacle position. It's all porn clockwork, old school style.

"Wow, you just killed it!" says Darkko after shutting down the camera. "This is just like the old days, right?"

Strong remarks, "Yeah, the old guys are still around. I love it. That's the real porn!"

These are times of diminishing porn expectations, as opposed to the days of continuous porn explosion that ended so abruptly just a few years ago. Once in a while though, some of the old, unbridled optimism creeps back in. Experience can count as a plus of course.

"You're a little sport fucker," Darkko says to Cassandra. "This girl's all about the sport fuckin'. I love it!"

He shoots BJ stills and pauses when he's done, stares into Cassandra Cruz's face and says, "You're good at what you do!" 🐱

**TEAL
CONRAD**

Some birds got it, some birds don't. The naturally stunning Teal Conrad is one of the lucky ones with "it" enough to spare. She's the ultimate dream girl with her smoldering eyes and supermodel's body, yet has just enough of that sweet girl-next-door approachability to keep the sexy from spiraling out of control. She's Homcoming Queen kind of hot — the one that puts out under the bleachers after the big game with her crown still sparkling atop her head. Teal would be the perfect girl to bring home to Thanksgiving dinner to meet your parents, the one you could fuck standing up in the closet of your old bedroom instead of helping out with the dishes. And if she was your girlfriend you know she'd always be up for a threeway, just as long it got recorded so she could have something to masturbate to later. She's gorgeous, awesome, and a fucking porn star. What more could you possibly want in a woman? 🐱

CASEY CALVERT

You heard it here first: Casey Calvert is the Next Pig Thing. She's got a cute ass, a tenacious twat, and a deeply-rooted passion for perversion, all of which indicate that she's destined for greatness in certain circles. Casey can take a fucking like no other ho out there. Her soul feasts on the sexual energy of others and then radiates it back out a thousand fold. This girl is no dick dilettante. She is the real deal, a hartot through and through, who has taken care to master all the ins and outs of her craft. To watch Casey in action is to witness sex at its most sublime. When an individual realizes their full potential it is a beautiful thing indeed, and it's clear that Casey is doing what she was born to do each and every time she gets boned. Keep it up, Casey, keep it up. 🐷

**JODI TAYLOR RIDES
A CAR JACKER**

REALITY GANG
TEENHITCHHIKERS.COM

DIRECTOR
JIM POWERS

SLUT & PUPPET
JODI TAYLOR, EVAN STONE

PIXXX & ARTICLE BY JEFF HUBRIS

56

33058

Welcome to the middle of the fucking desert. Today, we are way, way outside of Los Angeles so we can run free and unfettered over the sagebrush and dusty mountains with our porno stupidity, all day and all night. Within the sequestered area of Porn Valley and surrounding environs, the scourge of the Proposition 9 mandatory condom law has begun to infest itself via spotty but well-publicized police actions against porn shooters who are doing nothing different than what they have done ad infinitum. Now, In an effort to keep the possibility of interference from the authorities to a minimum, more geographically remote locations are becoming very popular shoot sites. No cops. No hassle. No fines. No bullshit.

So here we are with our youngster du jour Jodi Taylor, whose super white skin is showing some patches of scarlet from the unforgiving desert sun, and Evan Stone, who has earned the moniker "The Golden Retriever of Porn" due to his irrepressibly positive attitude and innate ability to complete the bang out in question with good nature and comedy, porn girl freakouts and/or difficult performance conditions be damned. Never a dull moment.

Jodi has left home and has hit the road looking for adventure. She ends up on a deserted desert highway. Stone is driving by and wants to lend a hand. It's a beautiful theme.

"The idea is that she just jumps in the car," director Jim Powers says. "She's a little slut and she wants to fuck anything that moves when she gets away from her dad, so she jumps inside the car and starts pulling off her clothes and is like, 'Fuck me, mister!' She's running around naked!"

Powers shoots long shot set-ups of Jodi hitchhiking and Stone pulling up in his SUV. Then a discussion ensues as to how to make the leap from innocent teen hitchhiking to serious teen slut behavior within the time frame of a few minutes.

"So you're jacking off looking at her and you're staring at him in shock and then Evan starts swerving a little bit in the car," Powers explains half laughing. "Jodi, you start looking nervous and so you go and grab the wheel!"

Evan Stone has a question. "So I'm just saying this matter-of-factly?" he asks Powers. "Like, 'Do you mind if I jack off?'"

"YES!" Powers answers immediately. "Exactly. Then just say, 'Do you mind if I pull over somewhere?' and Jodi, you're like, 'Yes! Pull over! And we'll do it right there on that big rock bed.'"

Powers is referring to a large concrete slab that has been cast here for some unknown and mysterious reason. Hey, a fuck platform is where you find it.

Powers shoots inside the cab of the SUV, trying to keep the speed at a reasonable pace without causing an actual wreck while still implying that Evan Stone is having trouble jacking off and driving at the same time. Jodi starts blowing cock and this is where the art comes in, ladies and gentlemen. Absurdity is noble, and so many times the only place left to go. All of a sudden Powers starts freaking out because he realizes that he is losing light quickly in the very late afternoon. Shit! The sex has to be shot!

NOW!!!

They burn rubber over to the large concrete slab. Powers has Stone hustle Jodi out of the truck and roll immediately into some pussy munching and then missionary sex. There will be no comfy pillows or blankets to soften the contact between skin and concrete. This is raw, throw-down reality hard-surface fucking. This is the way it's done out on the barren highways and byways of America! The wind blows through hair and the shadows are deep, lending the vision of a mountain-top Viking porn epic. More than so many these days, Jodi Taylor is very "girl next door" from the top down. That being said, she does a magnificent job with Evan Stone from BJ through every position, ending up with the "blow to pop" option.

JODI TAYLOR: I'm from Arizona originally. Phoenix, the only place where anyone from Arizona is from. I'm twenty. I'm mostly Irish and I have a lot of Czechoslovakian. Quite a bit of Norwegian and a little bit of British. Before porn I did a lot of different things. I do a lot of production assistant work now, but before that I did a lot of waitressing, customer service, that kind of thing. I was a late bloomer. A lot of the sex that I've had in my personal life was very...what's the word? There really wasn't very much dating involved with any of them. It was mostly just sexual relationships. I wasn't even very good friends with most of them and this is pretty similar to that except that in porn you don't always do the things you like to do and you have to hold the angles and that kind of stuff. Your personal sex life is more fun because of that kind of stuff. I usually like rougher sex. I'm very submissive, but all sex is fun. I do like choking, a little bit of slapping, stuff like that. Definitely different positions. I haven't done much anal at all, I've only done it once in my personal life and I didn't love it but I'm willing to try it for porn and see what it's like. I haven't done it in porn yet and I haven't cum from anal. There's usually never a time that I don't cum on a set though. I've always been able to cum really easy. I usually get myself off with a vibrator. It's never as much fun actually having sex but sometimes you just need it and there's nothing around.

JODI: My family doesn't know. If they find out they won't like it, but as long as it's something I'm doing willingly and it's something that I enjoy and am having fun with it's fine. But they still won't like it. ...I like to do a lot of writing. I'm going to be filming little things for fun. I love doing that. I do horse back riding and tae kwon do. I used to be a swimmer a while back. I'm actually not a very big partier but once in a while I go out with my friends and have a good time. ...I love doing multiple guys. I'd never done that for porno but it was awesome when I get it. I've done it twice now. It was two orgy scenes and they were awesome. I'd like to do more of those. I'm enjoying porno right now. Do I want to be in it forever? No. But right now I'm really having a good time and I'm going to be doing it for a little while. There are definitely some of more things that I want to do and after that I'll just phase it out. ...With porno guys you're there to do a scene and you're just having fun, there's no real pressure. With normal guys, they build up a lot of stuff. They're worried you won't have sex with them unless they build up a relationship and they do this whole deal. That's very frustrating because that's not always the case. Sometimes there is just a guy that you want to have sex with and you're not interested in the rest of it. That can be really annoying when they do all the steps. It's like we're going to have kids together. No. That's not necessary.

She takes a huge load to her face and upper torso. Jodi's relatively new to all of this, just having started doing scenes a few weeks ago, making the transition from personal sex life to porn sex life. It is what it is. No real lifestyle adjustment required so far.

"Porn is exciting because you come and you meet people that you're going to have sex with and a lot of the times that someone where you're like, 'Wow, I really do want to do this with this person!' So it's fun!" she says with a smile. "This was really, really good! I've actually never taken a guy that big. When you have to scream that much you know it's really good!" 🐱

Lexi Belle & Toni

Adorable spinner Lexi Belle loves to be on top. Not that she'll turn up her nose at taking a cock in a different position, but when she sits pretty in cowgirl Lexi's orgasms are just so much more intense. Her smart lovers, like Toni, don't try to dissuade her from doing her thing, they just let her hop on and go to town. Orgasm town, that is. When impaled upon Toni's massive love wand, Lexi works her special vage magic. She grinds her hips in an enchanting rhythm while she pulses her pussy to make its silken walls ripple, corkscrewing her gynie muscles around Toni's stiff staff. With each warm clench of her juicy cunt Lexi inches herself closer to an O, while Toni lies back, closes his eyes, and gives himself over to being ridden. As soon as Lexi is overtaken by a body quaking climax, Toni flips her over and humps his own way home.

The Twitter Interview

By @Gabriel_Lan

Penny Pax

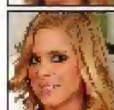

We've all thought about it. "How naughty is that nerdy, smart, innocent looking girl we see in the library with her head buried in a book?" If Penny Pax is any indication, the answer is EXTREMELY naughty. With her adorable looks and glasses, Penny has the perfect "smart, innocent, nerdy girl" look. But looks can be VERY deceiving. Underneath that sweet, angelic looking façade lies the body of a devil with a severe case of nymphomania. Very few dirty little sluts in the industry can match Penny's sexual intensity on screen, as she constantly puts out one dynamic, scintillating performance after another. Penny is either the best kept secret in the porn industry today or the industry's most underrated performer. Or both. As proof of that fact, she won "Most Underrated Slut" among multiple other awards in last issue's Spank Bank Awards, while being nominated in several other major award categories as well. Further evidence of her "best kept secret" status? Penny currently has just over 11,000 followers. Expect this secret to get out sooner than later.

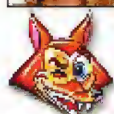

@Gabriel_Lan: In case you haven't noticed, I have quite a crush on you. I'm smitten, actually. Do you have anyone that you're currently crushing on?

Penny_Pax: Well, there's this guy... He works at FOX Magazine...

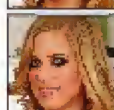

Penny_Pax: I totally have a crush on like every single Spiegler Girl because they are the best, dirtiest, and sexiest ladies in the industry.

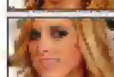

@Gabriel_Lan: You have that nerdy/smart girl look perfected. Are you nerdy? Do you have any nerd-like hobbies or interests?

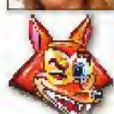

Penny_Pax: I'd like to call myself nerdy, but I haven't always been a nerd. I feel like that's the kinda title you have to be born into.

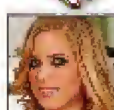

Penny_Pax: I've only just recently started getting into comics and whatnot. I'm totally addicted to the Batman games Arkham Asylum and Arkham City...

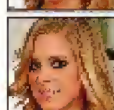

Penny_Pax: Still trying to get past Mr. Freeze!

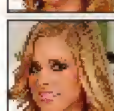

@Gabriel_Lan: Were you a good student when you were in school? Made good grades?

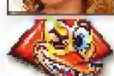

Penny_Pax: I tried.... Actually, not really. I was pretty average. I never failed any classes but I certainly didn't get straight A's.

Penny_Pax: I was preoccupied with Musical Theater and Dance throughout high school and if it didn't have any correlation I wasn't really interested.

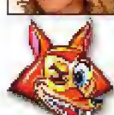

Penny_Pax: I knew I wanted to be in the entertainment business, so I figured I should focus on what I planned on using in the future.

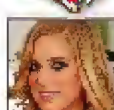

@Gabriel_Lan: Are you a fan of the show Glee then? A #Gleek?

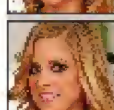

Penny_Pax: I've actually never seen an episode of Glee...should I give it a shot?

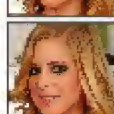

@Gabriel_Lan: What made you decide to start having sex on camera? Were you always interested in performing?

Penny_Pax: I was bored with my regular day job and I was super comfortable performing in front of people since the age of seven from doing live theater.

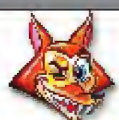

Penny_Pax: I didn't have many strings holding me in Florida and I always loved California so I decided to take the plunge and move out here.

Penny_Pax: It's the most spontaneous thing I have ever done, and I have enjoyed every minute of it.

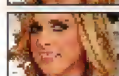

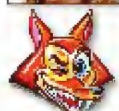

@Gabriel_Lan: If you had the opportunity to crossover into mainstream acting, would it be easy to leave porn behind?

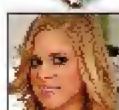

Penny_Pax: Yes, I would think so. Acting is my first passion and as much as I love having sex on camera, it does take a toll on your body.

Penny_Pax: Acting would be just a bit easier I think.

@Gabriel_Lan: Have you had any mainstream opportunities since making the leap to California?

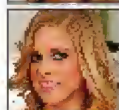

Penny_Pax: Only a few. Just playing the naked girl... Ya know, in the high school showers and stuff like that.

@Gabriel_Lan: You must have been absolutely thrilled to have landed the role of Sandy in the Grease porn parody then, huh? (Perfect casting in my opinion.)

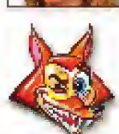

Penny_Pax: I'm so stoked to be playing Sandy in Grease!

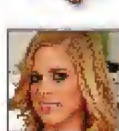

Penny_Pax: You cannot believe how amazing it is for me to have the opportunity to do my favorite things in the world together and on camera!

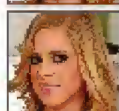

Penny_Pax: I just hope I can live up to Axel's (Braun) standards!

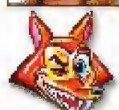

@Gabriel_Lan: I was pretty much already crushing on you, and then you played Batgirl in a porn parody. How fun was it playing a comic book heroine?

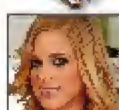

Penny_Pax: Amazing! It was my first feature set and it was so much fun! The 14 hours I was there literally flew by, that is how much fun I was having...

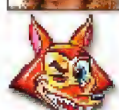

Penny_Pax: I want to do another super hero movie now!! You can't get more "character-y" than with a comic parody.

@Gabriel_Lan: You recently played Marie in a Breaking Bad parody as well. Do you watch that show?

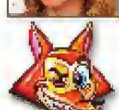

Penny_Pax: Oh yes, and its such a great show. I am not joking when I say you literally only need to watch the pilot episode to be hooked on the show.

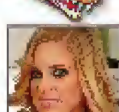

@Gabriel_Lan: If you could pick your own character to play in a porn parody, who would it be?

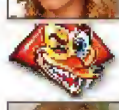

Penny_Pax: Alice in Wonderland of course!!! Or Cinderella, or I don't know, any of the blonde Disney princesses. :)

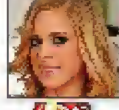

@Gabriel_Lan: Aren't you a big Disney fan in general? You've used Alice In Wonderland as your Twitter background as I recall....

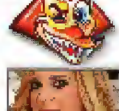

Penny_Pax: OH yes!! I would go to Disney any day of the week. I grew up on Disney movies and they just make me happy.

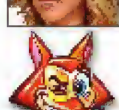

@Gabriel_Lan: What is it about girls with glasses that is so sexy?

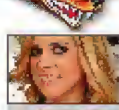

Penny_Pax: Hahaha, I don't know... I need glasses to see distance, y'all think they're sexy??

@Gabriel_Lan: Be honest, do you actually NEED glasses??? LoL ...

Penny_Pax: Yes! Seriously need them... :P

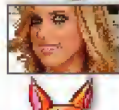

@Gabriel_Lan: While you may look like a nerd, you were actually a lifeguard before you went into porn, right? Do you have any Baywatch fantasies? LoL

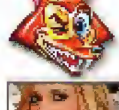

Penny_Pax: Yes, I was a lifeguard a little over five years.

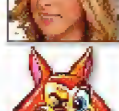

Penny_Pax: Believe me, it was nearly every day that some silly guy wanted to act out that scene from The Sandlot or Baywatch...it never gets old.

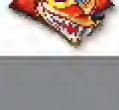

@Gabriel_Lan: Did you ever save anyone from drowning during your time as a lifeguard?

Penny_Pax: Yes!!! That was my job, silly goose!

@Gabriel_Lan: Were you a military brat? I ask because you've lived in so many different places. HI, CA, FL, OH...

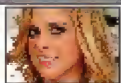

Penny_Pax: Nope. I just have a mother who followed her heart.

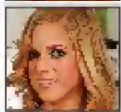

@Gabriel_Lan: You also lived in New Zealand at one point, correct? That must've been quite a culture shock. What was that like?

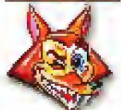

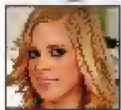

Penny_Pax: I lived there for about nine months and yes, a complete shock.

Penny_Pax: We lived on a sheep station and our closest neighbor was over a mile away...the school I attended was K-12th grade!!

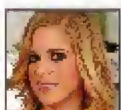

@Gabriel_Lan: You've developed quite a friendship with the 1st pornstar to ever message me on Twitter, Chastity Lynn. Why do you two get along so well?

Penny_Pax: I think it's because she's so down to earth. She's honest, and that's a quality I really value. She doesn't bullshit me. I appreciate that.

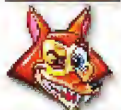

@Gabriel_Lan: One of my favorite stories is the one where you and Chastity went for a hike and kinda got lost. Didn't you end up a few miles off course? Lol.

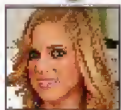

Penny_Pax: Oh my, yes that was a crazy day! We were hiking and this fog rolled in like I have never seen before.

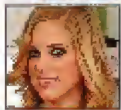

Penny_Pax: We just got turned around in the direction of MALIBU! Ended up being a total of 14 mile hike!

@Gabriel_Lan: Mark Spiegler is widely considered the best of the best when it comes to porn agents. What does it mean to you being a Spiegler Girl?

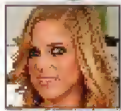

Penny_Pax: It means I never have to worry! Mark is absolutely the best agent with the most experience with this industry.

Penny_Pax: He always has his girls' best interest at heart. I am very thankful that I am with a drama- and stress-free agent! Love you Papa Spiegs!!!

@Gabriel_Lan: You're pretty tight with someone else I've interviewed too...Sarah Shevon. How did that friendship develop?

Penny_Pax: Sarah and I met at AVN last year. I was brand new and Mark invited me to go to the show even though I wasn't signing or anything.

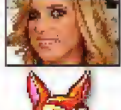

Penny_Pax: I shared a room with Mark and Sarah so naturally she was the first Spiegler sister I bonded with.

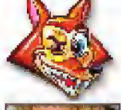

Penny_Pax: She also is someone who is really sweet and deep down a good natured person.

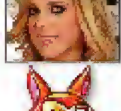

@Gabriel_Lan: Anything else going on with you and Chastity or you and Sarah? Just friends? Friends with benefits?

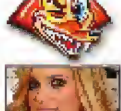

Penny_Pax: Heehee I'll never tell...

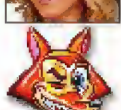

@Gabriel_Lan: Besides Chastity and Sarah, do you hang out with any other Spiegler Girls?

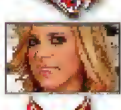

Penny_Pax: Not really... I totally would though. They are all just lovely.

@Gabriel_Lan: I know you've been dying to do this... Have you taken Lia Lor's anal virginity yet?

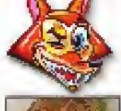

Penny_Pax: Hahaha...I wish!

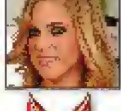

@Gabriel_Lan: In your relatively brief time in the industry, you've already done pretty much every extreme there is. What's next for Penny Pax?

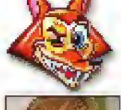

Penny_Pax: Hmm, well I haven't done any double stuffed scenes yet....

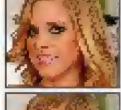

@Gabriel_Lan: You came into the industry doing everything. No build up or waiting for anything.

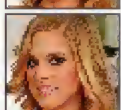

@Gabriel_Lan: Had you already done some of those things in your personal life before porn? Like anal, for example.

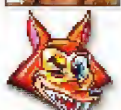

Penny_Pax: Yes, I had definitely done anal. No DPs or gangbangs, but I had definitely tried to explore as much as I could with my boyfriends.

@Gabriel_Lan: You've shot several times for Kink now. Were they the first company to realize how awesome you are?

Penny_Pax: I guess so! They are really the only company who've consistently booked me since I joined the industry...

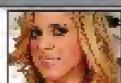

Penny_Pax: I certainly don't mind, I love working for them and challenging myself more and more each shoot.

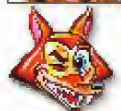

@Gabriel_Lan: You've shot for Evil Angel a few times now too. Do you think all the companies are starting to take notice of what you bring to the table?

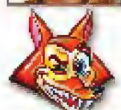

Penny_Pax: Umm...see above lol. I sure hope so

@Gabriel_Lan: How do you think you are perceived in the industry? What do you hope your reputation is among your peers and the companies you shoot for?

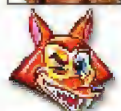

Penny_Pax: I would say innocent but naughty. I haven't had a bad scene yet where any company wasn't pleased with my performance to my knowledge...

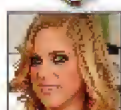

@Gabriel_Lan: I know you've started doing some camming online. Is a PennyPax.com site in the works?

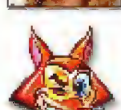

Penny_Pax: Not just yet...but definitely one day!

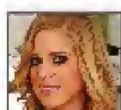

@Gabriel_Lan: You've said you can't get through the first 35 minutes of The Lion King without crying. What else makes you cry? Are you sentimental?

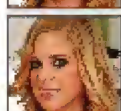

Penny_Pax: Haha! Yes, I can't hold my tears through most Disney Movies and well, any sad movies really. I get too invested in my characters I think...

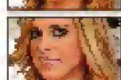

@Gabriel_Lan: Does being named the "Most Underrated Dirty Little Slut" in this year's Spank Bank Awards make up for a little of the disappointment of not win anything at the AVNs?

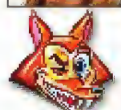

Penny_Pax: Well, first off I was disappointed about not winning anything at XBIZ or AVN... It amazes me still that I was recognized and nominated!

Penny_Pax: But to answer your question, sort of. I am so excited and happy to have won Spank Bank awards!!

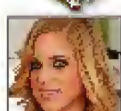

Penny_Pax: I have been waiting to be in FOX forever and it's a dream come true!

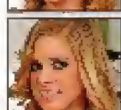

@Gabriel_Lan: Do you think that's accurate? Do you think you're a little underrated by the casual porn watcher?

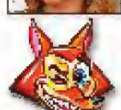

@Gabriel_Lan: My personal belief is once a porn fan actually "discovers" you, they are hooked!

Penny_Pax: Hahaha, well I sure hope so! I can agree with you that since most porn watchers watch stuff like gonzo porn for the "big" companies...

Penny_Pax: Ones that I haven't really shot much content for. I'll bide my time. Sooner or later they will realize that I am the perfect Penny package.

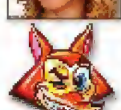

@Gabriel_Lan: You were also awarded six Technical Awards in our awards issue. Not bad for your first year in the industry, don't you think?

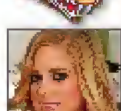

Penny_Pax: I would say so! Thank you so much for recognizing my skills and bringing more people to learn about me.

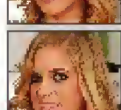

Penny_Pax: I am looking forward to many more years of making porn and hopefully more awards!

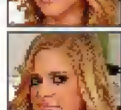

@Gabriel_Lan: What do you plan to do to continue your run of Spank Bank Awards excellence for next year's awards?

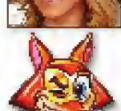

Penny_Pax: I plan on just continuing doing what I love, which is what brought me to excellence this year!

Penny_Pax: I love performing, knowing people will be watching, and being able to watch the content myself later.

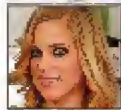

Penny_Pax: The adult industry has been nothing but good to me this year and I have never been happier!

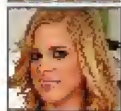

@Gabriel_Lan: Say there was this guy that wanted to ask you out on a date. What would be the best way for him to get you to say Yes?

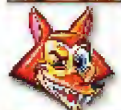

@Gabriel_Lan: Not that I'm taking notes or know a certain guy specifically ;)

Penny_Pax: That's tough. I like honesty and I guess I would just want them to be themselves and see where that goes...

Penny_Pax: I don't really have a type or trigger word...well, they do have to be at least half as perverted as me and like ass licking ;)

@Gabriel_Lan: Does telling you that you have THE most beautiful blue eyes I've...errr, I mean... "that guy" has ever seen do anything for ya? ;)

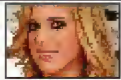

Penny_Pax: Mmm hmm... That's a good start....

@Gabriel_Lan: What makes another person "attractive" to you?

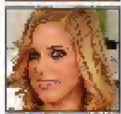

Penny_Pax: Honesty and a car and a job.

@Gabriel_Lan: Just a guess, but I'd say you are totally open to dating guys or girls... Do you have a preference?

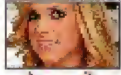

Penny_Pax: I think girls are incredibly beautiful and sexy, however dating them is a whole other game.

Penny_Pax: Girls are crazy and I would know, because I am one... Boys are much easier.

@Gabriel_Lan: When was the last time you went on a "real" date anyway?

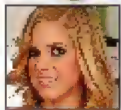

Penny_Pax: Hahahaha

@Gabriel_Lan: What do you like to do when you're not playing a dirty little slut? Have any hobbies? Things you do for fun?

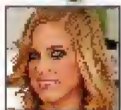

@Gabriel_Lan: Other than getting lost in the wilderness and peeing on the trail during 14 mile hikes I mean lol

Penny_Pax: I like gardening, exercising, playing with my butt...you know, the usual girl stuff.

@Gabriel_Lan: You always seem to be so upbeat, always possessing such a positive attitude. Is that a key towards making a #HappyPenny?

Penny_Pax: It sure is! Life is too short to waste being all grumpy and unhappy, you need to stay positive and believe everything will always work out for the best.

@Gabriel_Lan: For those fans that are just now learning of the amazingness that is Penny Pax, what's something they should know about you?

Penny_Pax: Don't be fooled by my glasses, I only look innocent. O: D

LIFE SIZE - LIFE LIKE - BEAUTIFULLY FUCKABLE

PLAY-GIRL

SO ROUND SO FIRM SO FLEXIBLE

The **ONLY** doll in the world with electronic-type action mouth, molded breasts, and **ALL** female parts.

FIRST TIME IN AMERICA

That's right!!! Marilyn is the **ONLY** human-like **ACTION DOLL** available in America. Her success in Europe has been so overwhelming, that we've brought Marilyn to America. Let her American, Greek and French life-like reproduction female qualities astound you as they have others.

BUILT IN FEATURES

All of Marilyn's female components are built right into her body. Her breasts are human-like in **EVERY** detail, both in texture and structure, right down to the finest point. This is an exclusive feature that is **ONLY** available on the Marilyn doll. Her open mouth is an achievement in design. The human-like action, tight-flexible cheeks inside her mouth, work on the principle of air suction. Just squeeze the back of her head gently, and watch her pulsating mouth come to life. Her mouth is precise enough to grasp a pencil. Marilyn comes with all the female parts you expect. Even **THESE** parts were designed to act as human-like as possible. Her well rounded hips and legs are soft and flexible. You can make Marilyn thin, you can make her shapely, you can make her pleasingly plump, in fact Tiger, you can make her **ANY** way you desire.

THE ONLY ACTION DOLL

Don't confuse Marilyn with toy like dolls being sold on the market. Marilyn is **NOT** a toy. She was designed for the **ACTION MINDED** man. Imagine coming home to your own 21st Century play-girl always ready for action.

DRESS HER UP

Dress her up in lingerie, bathing suit, dainty underclothes, tight fitting sheek dresses, pant outfits, mini skirts or leather. Her well rounded legs can wear any style boots or shoes, nylons or hose. Think of the fun you'll have dressing Marilyn the way **YOU** feel a woman should

dress. And best of all Marilyn knows how to show her appreciation. Order now, while she is still available at this extremely low price, or before she becomes a collectors item.

The only electronic doll with action mouth & pulsating pussy.
